Starved Rock Radio Club July 11, 2016 Meeting

Meeting started at 7:03pm with 18 members present.

A copy of the June Minutes passed around to members. Rich, N9OUW motion to accept minutes with second by Kim, KC9EMO. Ayes carry.

Mark, K9ZQ gave the Treasurers Report.

Activities: Tom, K9ML went down the list of local area hamfests, Z-tour is this weekend & NARS is July 20.

Building and grounds: Plan to repair guying on HF tower is in full swing.

Equipment: Mark has talked to our neighbors about putting up a Carolina Windom antenna that would impinge on their property. It should be okay.

Food: Mark brought some food and cookies.

Repeater Monitor: Works okay.

Hamfest: We had a quick discussion about the event organizer for the hamfest, Eventbrite.com. It looks like that could get more interest in our hamfest and new vendors to share the cost of the hamfest.

Old Business: Set workday for redoing tower anchor.

New Business: Dwight, WD9HZK has given the club a unique gift. A brick with the club's name and callsign has been added to the ARRL Diamond Terrace. A framed certificate commemorating the event will be hung in the meeting room. Thanks, Dwight!

Mark lead a discussion about buying a Carolina Windom that we can hang with some Phillystrand that Cecil, KB9LNK will donate to club for a small handling fee. Mark will investigate purchase of antenna since club members present agree that the antenna is the best way to go.

Rich motion to adjourn with second by John, AA9VT.

Meeting ends at 7:50pm.

Recorded by K9ML.

Happy Birthday
